Happy Friday Una!

As you know, I am the attorney assigned to review your New Entrant Public Financial Disclosure Report (New Entrant Report). I have completed my review of your New Entrant Report. Please review the following guidance and let me know if you have any questions or concerns.

Two-Year Ban

Under the Federal conflict of interest statute, 18 U.S.C. § 208(a), you may not participate personally and substantially, in your official Department capacity, in any particular matter in which, to your knowledge, you, or anyone whose interests are imputed to you, has a financial interest, unless you first obtain a written waiver, pursuant to section 208(b)(1), or qualify for a regulatory exemption, pursuant to section 208(b)(2). Interests imputed to you under the law include those of your spouse, minor children, general partner, an organization or entity which you serve as an officer, director, trustee, general partner or employee, and any person with whom you are negotiating for employment or with whom you have an arrangement concerning prospective employment.

Pursuant to Executive Order 13989 (1/20/2021), and the ethics pledge you signed on February 1, 2021, you may not, for a period of two years from the date of your appointment, participate in any particular matter involving specific parties in which any of your former employers or former clients is, or represents, a party. This disqualification covers meetings or other communications with your former employers and former clients, even if the subject of the meeting is a particular matter of general applicability, unless the meeting or other communication is open to all interested parties. A "former employer" includes any entity for which you have, within the last two years, served as an employee, officer, director, trustee, or general partner, except that it does not include any State or local government. A "former client" includes any entity for which you have personally served as an agent, attorney, or consultant within two years prior to your appointment. You are subject to this two year disqualification with respect to (b)(5)
